What is meCentral.com?

meCentral.com is a world first online employee engagement solution. It's your company's success centre for engaging and retaining your top talent and clients, thereby creating a sustainable win-win culture. This simple integrated system helps fast-track individuals success in four key areas: Life Goals, Career Fulfillment, Personal Finances & Work Life Balance.

Why use meCentral.com?

Top CEO's now rate engagement & retention as the No. 1 critical success factor with 90% of organisations focusing on this issue at board level. As Tom Tierney, Worldwide Managing Director Bain & Co, says "We attract the best and the brightest. And those people are the hardest to hold onto. Our job is to create a value proposition that gets them to stay another day, another month, another year." meCentral.com helps engage and retain your best talent simply and easily. It's a scalable, flexible and cost-effective solution.
